### Commander's Corner

The 2<sup>nd</sup> Annual dinner/dance on 22 March @ 1800 went very well. We sold 76 tickets and raised more than \$2700. Thank you to all who assisted in making the 2<sup>nd</sup> Annual dinner/dance such a success. Please mark your calendar for next year's dinner/dance on 21 March 2015!

### Senior Vice Commander:

I hope you can come to this month's meeting as it is a very important one as we make nomination for this year's leadership. Your chapter currently has great leadership and visions of where we should be headed but I also know we have some great followers that have great ideas and could make changes for the better too. We are all veterans that have sacrificed so much already so people have the right to vote and this is an opportunity to vote for your leaders of your chapter. See you all on the 16<sup>th</sup> of April 2014 to elect your leadership!

"Here's to the crazy ones. The misfits. The rebels. The troublemakers. The round pegs in the square holes. The ones who see things differently. They're not fond of rules. And they have no respect for the status quo. You can quote them, disagree with them, glorify or vilify them. About the only thing you can't do is ignore them. Because they change things. They push the human race forward. And while some may see them as the crazy ones, we see genius. Because the people who are crazy enough to think they can change the world, are the ones who do." — Apple Inc
